

<h1>STATEMENT OF AUTHORIZED REPRESENTATIVE</h1>

<h2>[ALPHA], LLC</h2>

<hr />

<p>The undersigned, on behalf of FLORIDA PROTECTED SERIES, LLC - PS 1, doing business as MyFloridaSeriesLLC (the "Filer"), states as follows with respect to [ALPHA], LLC, a Florida limited liability company (the "Company"), Florida document number L26000123456:</p>

<p>1. Capacity. The Filer executed and filed the Company's Articles of Organization with the Florida Department of State, Division of Corporations, solely in the capacity of an authorized representative within the meaning of s. 605.0102(8)(a), Florida Statutes — a person authorized by a prospective member of the Company to form the Company by executing and filing its articles of organization with the Department.</p>

<p>2. Authorization. The Filer was so authorized by a prospective member of the Company, who appointed the Filer for that purpose and who certified to the Filer that the information stated in the Articles of Organization was true, accurate, and complete.</p>

<p>3. No ownership or management interest. The Filer is not, and has never been, a member, manager, owner, beneficial owner, officer, employee, or holder of any transferable interest in the Company. Signing and filing the Articles of Organization conferred no such interest and no management authority of any kind.</p>

<p>4. Authority exhausted on filing. The Filer's authority was limited to executing and filing the Articles of Organization. That authority terminated upon the filing, and the Filer has no continuing right, power, or duty with respect to the Company arising from having done so.</p>

<p>5. Where authority resides. All ownership of the Company, and all authority to manage its activities and affairs and to act for it, rest with its members, as provided in its operating agreement and in chapter 605, Florida Statutes.</p>

<p>6. Registered agent service. The Filer is not the Company's registered agent. If the Company has engaged FLORIDA PROTECTED SERIES, LLC - PS 2, a separate protected series of the same limited liability company, as its registered agent, that engagement is a distinct service governed by its own terms and by s. 605.0113, Florida Statutes, and nothing in this Statement affects it.</p>

<p>7. Purpose. This Statement is furnished so that a financial institution, taxing authority, title company, or other person examining the Company's public formation record may understand why the name appearing on the Articles of Organization is not the name of a member of the Company.</p>
